Re: **Clean Copy Submittal of Pumphouse Reclamation Plan, Des-Bee-Dove Mine,
ACT/015/017-AM00A1.**

Attached is four clean copies of the above mentioned submittal. Please stamp approve the copies for incorporation into the Des-Bee-Dove Mining and Reclamation Plan.

For your information, PacifiCorp has begun reclamation on the pumphouse area, but weather has slowed the progress of work. We anticipate that work will resume this week. Weather permitting, reclamation activities should be completed during the week of November 6, 2000.

If you have any questions or concerns, please feel free to call myself at 435-687-4720 or Dennis Oakley at 435-687-4825.

Sincerely,

Chuck Semborski
Geology/Permitting Supervisor
